

Pacific Zone Championships

2.6 MLAIC Pacific Zone Championships Format:

Due to the wide geographic separation of the MLAIC Pacific Zone member nations, as well as the continuing increase in both the expense and complexity of travel by air with firearms, the Pacific Zone Championships shall be held by mail (i.e., Postal Match Championships). Please note that this **does not** preclude invitational shoulder-to-shoulder matches among nations, including those such as Can-Am, Trans-Tasman and, perhaps in the future, Latin American matches. Should those competing nations so choose, those scores could be submitted as their Zone Championship scores.

The following rules shall apply:

- a) The Pacific Zone Championships shall be overseen by a Coordinator to be chosen from qualified applicants by a simple majority of the Pacific Zone's delegates' votes. This selection shall ideally take place at the MLAIC Short Range World Championships in the non-zone year, or electronically immediately afterwards, to allow invitations to be transmitted as early as possible in the zone year. One of the objectives in the selection will be an administrator who would desire to continue through multiple championships.
- b) This will allow the administrator to prepare and transmit the championship particulars to all nations in order to allow them to set their internal match schedules for their "prime time". The selected match dates shall be returned to the Zone Match Coordinator no less than 30 days prior to the local competition.
- c) Match fees shall be determined by the Pacific Zone countries every two (2) years and shall comprise an amount per country, plus an entry fee per individual and team event. This shall be sufficient to cover the costs of awards, printing and mailing expenses and shall be payable at the time of registration.
- d) Due to the differing range needs and availabilities, the shotgun venues and dates may be different from those used for the precision shooting events.
- e) MLAIC rules shall apply. No more than sixteen (16) competitors per event from each nation shall be registered (paragraph 2, section 2.3 of the MLAIC rules applies, regarding numbers of original vs reproduction participants per event). Selection of team event members shall be transmitted to the Zone Office no less than 48 hours prior to the scheduled event.
- f) Scores from each match shall be transmitted to the Zone Office within five (5) days of the completion of the events. Scores shall include the total, along with the number of 10s, 9s, 8s, etc. The local M.D. shall also take digital photos of the top six (6) targets in each entered event and retain both the targets and the photographs for a period of three (3) months from the conclusion of the Zone Championships. Shotgun scores need to include a full record for both rounds.
- g) Ties for rifle and handgun will be resolved according to article 4.6 of the Rules. Ties for shotgun events will be count back from the last round until the tie is resolved.
- h) After all competing nations have submitted their scores, the Coordinator shall publish a consolidated Zone Championships Results compilation, including Zone records set, and transmit it to all Zone delegates and to the MLAIC Secretary-General. The final match results should also include details of the makes and calibres of firearms used by all competitors in each event.

Additional information, such as bullet type, weight and size, powder type and weight, and type of sights (open or aperture), may be requested by the Coordinator if necessary.

- i) Medals and certificates will be awarded as follows:
- ii) Individual competitions: as per paragraph 2.3.b.) i) and ii).
- iii) Team competitions: as per paragraph 2.3.d.) i) and ii).
